Briefly summarize the investigation describing your efforts to prove or disprove the allegation(s). Indicate whether witnesses or evidence support or do not support the allegations(s).

In sustained cases ONLY, copies of the accused member's Summary of Previous Disciplinary Actions and Record of Previous Complimentary History will be included as attachments.

The complaint involves allegations of improper verbal action and improper force during a traffic stop.

The investigation consisted of the following steps:

In his Initiation Report, Sergeant Dale Kingsley, #2408, related that [REDACTED] received two traffic citations and walked to the officers' squad car to get the officers' names and star numbers. The officers pulled away and the passenger side view mirror struck the complainant on the thigh. The complainant complained of head and side pain but Sergeant Kingsley did not observe any injuries. (Att. 4)

Obtained a statement from [REDACTED] in which he stated that on 08 November 2007, at approximately 2000 hours, he drove in the vicinity of 41st and Halsted with his friend, [REDACTED]. A marked squad car pulled [REDACTED] over and two officers, now known as PO Enrico Dixon, #12434, and PO Rodolfo Farias IV, # 13070, approached his car. [REDACTED] asked why he had been pulled over and PO Farias asked [REDACTED] what he said and called him "Buckwheat." [REDACTED] stated that he considered "Buckwheat" to be a racial slur. The officers issued [REDACTED] two citations, one for "Object hanging from rearview mirror," and one for driving an uninsured vehicle. [REDACTED] went to the officers' vehicle to ask for PO Farias's name and star number and PO Farias told [REDACTED] "I ain't gonna give you shit." [REDACTED] stepped in from of the car and tried to look through the windshield to see PO Farias's nametag and star number. PO Dixon started to drive away and [REDACTED] tried to jump out of the way. The side view mirror of the squad car struck [REDACTED] around the right hip. [REDACTED] fell and struck his head on something but [REDACTED] does not know what. [REDACTED] went to Stroger Hospital where he received treatment for a headache, pain and bruising to his right side and right hip. (Att. 5)

Dr. [REDACTED] at Stroger Hospital indicated that [REDACTED] was receiving treatment for bruising on his right side from the level of his kidneys to the level of his pelvis. (Att. 8)

INVESTIGATION (Continued):

Obtained Crump's Medical Records from Stroger Hospital which indicate that [REDACTED] complained of headache and pain after being struck with the side mirror of a squad car. [REDACTED] was diagnosed with head, flank and hip contusions. (Att. 13)

The vicinity of the incident was not conducive to a canvass as it consisted of vacant lots, industrial buildings without windows facing the incident and a Post Office which was closed at the time of the incident. (Att. 9)

Obtained a Contact Card completed by PO Dixon relative to his contact with [REDACTED] PO Dixon described [REDACTED] as very angry and argumentative about the stop. (Att. 15)

Central Booking Photographs of [REDACTED] depict no injury. (Att. 22)

Obtained a To-From-Subject Report from Accused Police Officer Enrico Dixon, #12434, in which he denied striking [REDACTED] with the squad car. PO Dixon described [REDACTED] as "argumentative." PO Dixon stated that he did not hear PO Farias call [REDACTED] "Buckwheat." (Att. 31)

Obtained a To-From-Subject Report from Accused Police Officer Rodolfo Farias, IV # 13070, in which he denied calling [REDACTED] "Buckwheat." PO Farias also denied directing profanity at [REDACTED] asked PO Farias for his name and star number and PO Farias provided that information. (Att. 32)

CONCLUSION:

The Reporting Investigator recommends that the Allegations against Accused Police Officer Enrico Dixon, # 12434, Unit 253, and Police Officer Rodolfo Farias, IV # 13070, Unit 253, be **NOT SUSTAINED**. There is insufficient available evidence to either sustain or refute the allegations. Without an independent witness or conclusive physical evidence it is not possible to determine what, if anything, occurred during the traffic stop. While [REDACTED] complained of pain and bruising at the hospital, he did not display any visible signs of injury. PO Dixon noted in both his To-From-Subject report and the contemporaneous Contact Card that [REDACTED] was argumentative and angry but whether [REDACTED] demeanor was the result of mistreatment at the hands of the accused officers or if it was the result of receiving two traffic citations is not possible to determine with the available evidence.
